ALULINE E100 DE

Elegant and modern design, made of aluminum in white or black, special colors possible.

The luminaire is suitable for recessed ceiling mounting. With the optional wall bracket the luminaire can also be used for recessed wall mounting in cavity walls. Convenient installation due to circular cutout. Installation box and container are included in the scope of delivery.

With the two accessory sets, central pendulum and wire mounting, the luminaire is very changeable and versatile.

The 10 mm light-deflecting pane is illuminated with a 1 or 2 watt LED-bar. A pictogram set with arrow left / right / down / blind is already enclosed.
