

# Cable assembly set

Cable assembly set in two different lengths, equipped with high-quality grippers and symmetry brackets for luminaires with asymmetrical weight distribution.

**Note:** The steel cables can be shortened to any length on the side of the gripper.

Luminaire is not included in the scope of delivery

## Technical specifications and order information

### Cable assembly set, 2 x 2,5 meter

Material	Nickel/Zinc
Dimensions Rope (L)	2,5 m
Note	1 Set = 2 cables with mounting material

**Order number** 551042

#### Suitable for following luminaires:
