Pictogram disc set - UNILINE

Pictogram disc set for UNILINE Series
With the pictogram disc set, the luminaire can be changed into a combined exit-sign/ safety luminaire within seconds. Available visibility distances are 23 m, 30 m or 40 m.
Note: The set for 40 m is not in line with DIN EN 1838 supplement 1:2018-11.
The pictogram disc set contains an acrylic glass disc, a pictogram set, a wall mounting adapter, two cover caps and a mounting instruction. The pictogram disc set is an accessory and has to be ordered separately.

Figure shows item number: 551244

Luminaire is not included in the scope of delivery
